During the coronavirus outbreak, our focus is on the safety and well-being of our employees AND customers who are vitally important to support you and our business, as well as the communities where we operate. Our second primary area of concern is the safety and continued service of our customers.

"This includes being diligent with fundamental actions like increasing the frequency of cleaning food prep equipment, counters, restrooms and fuel pumps, as well as other high-touch surfaces throughout our store. As always, "We believe that everyone deserves to have access to fresh, affordable food and essentials, especially in times of uncertainty. That's why our team are working so hard,
